deemed employee means a TCF contract outworker who is taken by section 789BB of the amended Act to be an employee.

deemed employer means a person who is taken by section 789BB of the amended Act to be the employer of a deemed employee.

2 Section 789BB of amended Act applies to contracts entered into after commencement

- (1) Section 789BB of the amended Act applies in relation to particular TCF work performed by a TCF contract outworker only if the contract for the provision of services, for the purpose of which the outworker performs the work, is entered into after commencement.

Part 1 Amendments made by the Fair Work Amendment (Textile, Clothing and Footwear Industry) Act 2012

Clause 3

- (2) Subclause (1) does not prevent regulations made for the purposes of section 789BC of the amended Act, or clause 7 of this Part, from dealing with the effect, in relation to a person who is taken by section 789BB of the amended Act to be an employee, of matters that occurred before commencement.

3 Effect on TCF contract outworker's entitlements

Accrued entitlements not affected

- (1) The amendments made by the amending Act do not affect any entitlement that a TCF contract outworker had accrued before commencement.

Effect of modern award term requiring National Employment Standards to be applied to TCF contract outworker

- (2) To avoid doubt, if:
 - (a) a term of a modern award requires the principal of a TCF contract outworker to apply the National Employment Standards to the outworker as if the outworker were an employee; and
 - (b) because of Division 2 of Part 6-4A of the amended Act, the outworker is taken to be an employee (being a national system employee) of the principal for the purposes of Part 2-2 of the amended Act (the National Employment Standards);

then, to the extent that the term gives the outworker an entitlement that is the same as an entitlement (the **NES entitlement**) of the outworker (as a national system employee) under the National Employment Standards, the term operates in parallel with the outworker's NES entitlement, but not so as to give the outworker a double benefit.

4 Fair work instruments etc. made before commencement

-

5 Application of Division 3 of Part 6-4A of amended Act

For the purposes of Division 3 of Part 6-4A of the amended Act, an entity is not an indirectly responsible entity in relation to particular TCF work if the arrangement to which the entity is a party, being the arrangement because of which the work can be regarded as being performed indirectly for the entity, was entered into before commencement.
